

Ambulatory Surgical Center

AT BASKING RIDGE

VISITATION POLICY

Patients may elect to have one family member present during outpatient procedures at the Ambulatory Surgical Center at Basking Ridge (ASCBR). At ASCBR, we celebrate the diversity of families. We recognize that a family member need not be legally, genetically or biologically related to an individual. For the purposes of our visitation policy, a family member may be anyone who plays a significant role in an individual's life. Family members may include, but are not limited to: spouses, domestic partners, significant others, parents or siblings, regardless of the sex, gender identity, gender expression, or sexual orientation of the relation.

In order to maintain a supportive environment, the ASCBR welcomes all patients and the members of their unique families.

If you experience any discrimination that you feel is related to your identity-status please notify
